The 2023 Conference has a special event “included” in each Vendor’s registration. On Sept. 26th we will attend the baseball game between the Seattle Mariners and the Houston Astro’s. Your Vendor conference registration includes the social, catered dinner, baseball game, and plenty of networking time with the attendees in our rented suites. You won’t want to miss this special occasion to network with our members!

Sponsorship Opportunities: It is with our Vendors generosity that we are able to have a successful conference. Generally, the costs we incur do not cover all our expenses. This is why we offer the availability of our sponsorship program. If you’re interested in sponsorship of a specific event, please see our special Sponsorship Form attached, or contact the PAMES Office.
